About the 2016 International BioFest

International BioFest 2016 will be the largest-ever gathering in Australian life sciences, with three major conferences coming together in one week in one place as one integrated network.

International BioFest 2016 is expected to attract over 2,000 delegates to attend the academic, industry and investor events in Melbourne from 24 – 27 October 2016 – to celebrate the Australian and international life sciences and highlight Melbourne as one of the world's great biotech hubs.

The International BioFest 2016 will comprise:

- IBS 2016, the 17th International Biotechnology Symposium and Exhibition;
- AusBiotech 2016, Australia's life sciences conference; and
- Australia Biotech Invest 2016, Australia's life sciences investment and partnering showcase.

Providing outstanding networking opportunities, the feature events will include receptions, the combined International BioFest gala dinner and the AusPartnering Program to schedule meetings with other delegates from the biotechnology, biopharmaceutical, life sciences, business, investment, research, academic and health sectors.
